### Spring 2021 Volunteer Crawl Schedule

**Project Pink** February 1 — March 5  
**Hug the Kids** March 1 — April 2  
**Rays of Sunshine** April 1 — April 30

# Volunteer Crawl

Each semester, the Student Nonprofit Alliance hosts the Volunteer Crawl, a 24-hour service project where participants traveled across Butler County making a difference. This year, rather than going to the sites, we will be sending SRU Care Packages to our site partners who will then distribute them. Though we can't do direct service, those persons who receive an SRU Care Package will *know* we are thinking of them.

**COVID may keep us from crawling in 2020-21,  
but it can't stop the Rock from making a difference!**

## March 2021 Hug the Kids — SRU Care Packages for Foster Kids

To ensure their safety, children are often removed from their homes and placed in emergency care without time to pack their belongings. SRU Care Packages will provide children with items they'll need the following morning for their personal hygiene, school and for a bit of enjoyment during a very stressful time. Items collected will be packaged in a nylon draw string bag imprinted with "SRU Believes in YOU". Packages will be distributed to foster and other children in need through Bethany Ministries and the Butler County Alliance for Children.

### Each Hug the Kids SRU Care Package will include:

- Tooth brush
- Tooth paste
- Travel size shampoo
- Travel size lotion
- Comb/Brush
- Coloring book/crayon
- Notebook
- Pens/Pencils
- Children's socks
- Small stuffed animal (max 6" tall)

**Estimated cost for these all listed Hug the Kids items is \$10-\$15**
