

Report from the Green Fund Advisory Board for the Academic Year 2023/24

Green Fund Grant Proposals approved in Spring 2024

Project Director	Title	Amount Received	Abstract / Goals
Jacqueline Crytzer	Whirlpool Replacement	\$12,519	Replacing a stainless-steel mobile whirlpool with a 1/4 horsepower jet pump motor with a built-in all-in-one pump system with water purification system to conserve water.
Cory Shoemaker	SRU Demonstration Prairie/ Pollinator Habitat	\$9,500	Request for supplies and educational and outreach materials and student wages to establish a demonstration prairie and pollinator habitat on SRU's campus to increase habitat diversity on campus and to increase student awareness and appreciation of native ecosystems and the organisms that inhabit them.
Paul Scanlon	Sustainable Environmental Summer Camps	\$15,405	The primary goal of this project is to make the Macoskey Center environmental summer camp program for young children (aged 4 to 11) a financially sustainable program that includes helping protect our environment and improving social equity for low-income families. Secondary goals include increasing SRU's community outreach and public relations.
Justin Zackal	Digital home for ROCK magazine	\$20,000	Request for help cover software costs/fees to establish a new digital home for the ROCK magazine to reduce the number of magazines that are printed.

Green Fund Grant Proposals approved in Fall 2023

Project Director	Title	Amount Received	Abstract / Goals
Dallas Cott	Campus Tree Plantings 2023	\$6,689	Purchasing 20 trees to replace trees that have been removed in recent history.
Travis Wunsch	Continuation of Replacing Fossil Fuel Powered Vehicles with Alternative Energy Powered Vehicles	\$18,836	SRU Athletics requests funding of an electric vehicle to reduce greenhouse gas emissions and noise pollution on campus.

The Green Fund Constitution and the Bylaws of the Green Fund were revised to reflect organizational changes within SRU. A current version of the Green Fund Constitution and Bylaws can be accessed from here: <https://www.sru.edu/life-at-sru/sustainability>.
