- Complete the summative assessment @ 75% or better for Act 48 hours and possibly a \$150 stipend.
- [14. Summative Assessment](#) (you may attempt as many times as needed to get the required 75%)

It is not required that you view all modules for the hours/stipend but viewing the modules will better your chances of obtaining a 75% or higher on the summative assessment.

Also needed for payment of end of semester stipend
