Comments:

The table reflects cohort attrition which includes withdrawals, dismissals, and decelerations for academic and non-academic reasons. Decelerated students move from one cohort to another and complete the program within a new cohort.

The cohort of 2022 admitted 45 students with 2 joining the cohort from another cohort. The cohort of 2022 began in the summer of 2020 during the Covid-19 pandemic. The cohort had 7 withdrawals with the majority withdrawing during the first semester of the program while instruction was in a virtual format due to the pandemic. The cohort of 2023 began with 40 new students and one joining from another cohort for a total of 41 students who matriculated. The cohort of 2024 began with 48 new student and one student entering from another cohort. 4 students withdrew during the didactic year.

**The attrition calculation for this table does not reflect the ARC-PA definition of attrition. This data is intended for public viewing to protect student identity in sensitive cases.
